

## Honoring Club Service

*from President Bob Ward*

The journey through our Rotary year continues in April, focusing on another Avenue of Service. April is designated by Rotary International as Club Service Month. This Avenue of Service includes member education about Rotary, the encouragement of fellowship and handling of club administration.

Here in Laguna Beach, we have two Club Service Directors. John Williamson is responsible for our weekly meeting programs and our Directory. Thanks to John and his committee, we have consistently enjoyed varied and interesting speakers. He is always looking for members to suggest names of good speakers they have enjoyed hearing. Don't we all know a few interesting folks? Perhaps you would like to be responsible for booking the programs for an entire month. Adam Heller, Rosiland Russell, Sue White, Marty Hecht and others have already chosen to volunteer.

Linda Saville is our other Club Service Director and is responsible for membership and member education. I participated in the latest Fireside Chat just this week. I guarantee that all our members would want to be Eight Ballers again if they knew how great our Fireside Chats have become. I would like to acknowledge Linda for her education of the entire club about Rotary membership. Her Membership Club Assembly was one of the high points of this year.

Although John and Linda are the Club Service Directors, all our Board members serve the club membership. Three Directors deserve additional recognition and thanks. Jerry Immel as Treasurer and Bill Keasling as Secretary are the cornerstones of club administration. They both dedicate many hours each week to Club Service. Jan Herkelrath brings us to high levels of member participation and club fellowship at her very successful special events. No Rotary club could possibly have more dedicated Directors serving on their Board.

Several others have served our club in very special ways this year. Harry Bithell worked his magic again with the Classic Car Show. Ward Blackburn continues publishing the Directory and a terrific newsletter, with loads of photos.

*Welcome Norm Broadhurst*

Tom Judy agreed to become Club Historian for our 75th Anniversary year and has unearthed some long forgotten club history.

I am honored to be a member of a club with such a strong commitment to Club Service. This year, each member has served the club in his or her way. We are all demonstrating that we know the true meaning of "Service above Self."

**Programs**

- April 7**                    **Gary Robbins**  
*Science writer for the O.C. Register*
