## Wasn't August Fun?

from President Noel Johnson

**A** Presidential “hats off” goes to our Membership Committee led by Linda Saville and the Programs Committee led by John Williamson for the spectacular meetings we enjoyed this last month. The membership committee did a great job of educating us on how important it is to bring guests to our meetings for the purpose of selecting them as new members. We also had fun with the Hawaiian Shirt day that made the Hotel Laguna look like downtown Honolulu. That costume day along with a very informative presentation on the Pacific Marine Mammal Center should be prime reasons for any guest to consider becoming a member of our Rotary Club. Who could resist sitting next to Jerry Immel for lunch when he is attired in his finest grass skirt and highly polished coconut bra. I’m glad we have it on film for posterity (or is it blackmail)?

Brendon Cheves did what no other Rotarian has been able to do in modern history, explain how we can EASILY do a make-up when we can’t make it on Friday. The use of our computers to access a web site <http://www.rotaryclubone.org> and spend 30 minutes reading articles seems mighty easy to qualify as a make-up, but it does. Everyone now should have perfect attendance.

Our August meetings also exposed us to “Gillimaufry” courtesy of Steve Josephson. Steve’s outlook on life was brought to us via Dr. Gene Levin. Some of our best and most interesting programs come from our neighbors. All we have to do is talk to people and listen to their answers. The Probation Community Action Association also updated us on their efforts in Orange County to assist our youths who have been in trouble.

The highlight of this past very exciting month was the publication of our very own club brochure. Through the hard work and creative effort of Linda Saville we now have a beautiful full color brochure that clearly explains what Rotary and or club are all about. It is a wonderful piece that we can be proud of and use for many years to come.
