Quality, Not Quantity!

from President Jim Cox

Hello everyone! First, let me say thank you for a warm welcome into my first year as your club president. I am truly honored. Thank you, club directors, who have agreed to take up responsibility for maintaining our momentum! Now, down to business. Three words I want to share, and want you all to remember are, **“QUALITY, NOT QUANTITY”**.

Is it the goal of every Rotarian to sponsor a new member? Is it the goal of every club to be the best in their district? It sounds appropriate to say, YES! In reality the answer is most likely, NO. Make no mistake, every club president wants to increase membership by record numbers; have every director be astounding in organization and performance; have every member volunteer for every project and fundraiser. Is this what I expect from our club this year? Of course! (no pressure folks) I should clarify that what I hope to find is we all do our best; because in the end it's not about the numbers (sorry Helen). If we all stay true to the reason why Rotary exists, as it is defined today, and do all that is within our power as human beings blessed with the opportunity to do so, there is no doubt in my mind Laguna Beach Rotary Club will continue to achieve all that is rewarded at the end of each year. But lets not seek the reward, the plaque, the banner. Do what we do best, as members of the largest service organization in the world and the ONLY organization with an international foundation that gives back 100% of dollars donated! Do what we do best and best reward of all, the one that fills our hearts, will be delivered. Now, lets do good things!

An upcoming project worth mentioning is the Rotary Backpacks for under-privileged students. Tim Goode will be working with Pam Estes and the Boys & Girls Club to find those in need. A group of us will need to gather for a backpack stuffing frenzy so that distribution can occur before the fall. The 3rd annual Angels Rotary Night is August 20th. Deadline to purchase tickets is July 22nd. Watch for details on both! The next car show meeting is July 13th. See Harry Bithell for details. Harry Lawrence and other veterans of Foreign Wars are being honored on July 21st. Please ask Zahide for details if interested in attending. Lastly, John Campbell is looking for someone to arrange for guest speakers for the months of October, November and December. Thanks everyone! - Jim
