Car Show, Backpacks and More . . .

from President Jim Cox

Hello Rotarians!

During the last four Fridays, we've experienced a serious lack in time management (on my part), a near-no-show guest speaker, and a power outage... and I'm having a blast! Thanks, everyone, for the support! As we enter the later part of summer in Laguna, and vacillate between disdain and delight for the annual tourist migration, we also enter into high gear for our biggest fund raiser of the year. The 8th Annual Classic Car Show is only eleven weeks away! With over 48 entries already received, Harry and his committee are making it happen once again. Please start thinking about how you can do your part this year, watch for sign-up sheets being passed around, and think about raffle item possibilities as you pass through town and talk to friends.

Another project in the works is Backpacks donated to students in need, coordinated by Tim Goode with Pam Estes and the Boys & Girls Club. This project has become a budgeted item, since its creation by Brendon Cheves three years ago, and is greatly appreciated by over 50 students among the local elementary, middle and high schools. Watch for announcements from Tim, or offer assistance any time! Tory is still looking for volunteer walkers at the Relay for Life Marathon at El Moro on August 6th & 7th. Please contact him if you can spare one hour over the weekend. The deadline for Angels Polio Night (August 20) ticket requests has been extended to August 6th. Please notify me right away if interested. We are still in need of monthly program coordinators for October and November! Please contact John Campbell if interested.

There are a few announcement reminders worth mentioning. Rick Lang has requested suggestions on where to store the club archives. There are approximately 12 storage bins in total. It's probably not a bad idea to reorganize these items and take an inventory before being relocated and locked up again. This would require a small committee, so if you have time and can offer Rick some assistance, please let him know. Also, if your name badge has lost it's Rotary logo, please notify John Nootbaar. It must be returned to the vendor for repair, as logos cannot be sent directly to the club for copyright reasons. To save on shipping, we will send several at a time. Please remember to sign in on Fridays, or risk the consequences!

Last but not least, let me welcome our newest member to be inducted, Julie Hile. With three sponsors, she is quite popular, and has already displayed a great service mindset by joining the car show food and beverage committee! Welcome Julie and thank you!

- Jim
