## "Job Well Done!"

from President Jim Cox

Like a well oiled machine, another great car show revs up our budget to support the many benefactors of our community service dollars. Many thanks to every Rotarian in the club, for doing your part, big or small, to make this year's car show one of our best! Kudos to the committee members, specifically: Harry Bithell, Ward Blackburn, Jan Herkelrath, Noel Johnson, Jerry Immel, John Campbell, Jim Lawler, John Nootbaar, Lynne Bisciegli, Ron Sinclair, Chris Kreyman, and John Dorr. Most details surrounding the event went smoothly, while others needed a little TLC. An area we should work harder on next year is the pre-sale tickets. We were way down this year. As last year proves, not every show may be a home run, but OUR effort should not be considered a variable. The committee plans to meet on December 14 for a recap. I ask that any feedback from the membership be sent to me via email prior to that date. Positive and constructive critiques are welcome!

Our continued relationships with other clubs around the world, where pooling funds together has allowed for so much more to be done, allowed for our immense contribution to the many families severely affected by the storm floods in Laguna last year. This would not have been possible without the RI Foundation's support. We must keep the fund alive to maintain the impressive impact our club has, and others have on the world.

Originally our Club Assembly was to be on September 30th; however too many board members were out of town that week, so it has been postponed to an undetermined date at this time. **DRESS UP FOR HALLOWEEN ON OCTOBER 28th!**

There will be a prize for the best costume! It will be a spooktacular time! I encourage you all to attend lunch on November 18th, as Rod Hatter will be speaking on the Laguna Beach Rotary Club Foundation. There are a number of new members who probably didn't know the club even had its own Foundation, let alone that changes have occurred. Thank you Tom Judy for suggesting we educate the club on this topic, as it has been too long. Remember we are dark on November 25th! Eat lots of turkey and stuffing and take lots of food induced naps! Happy Holidays everyone!
